MOTO™ H17

UNIVERSAL BLUETOOTH® HEADSET
WITH RAPIDCONNECT™

This device supports Bluetooth® hands-free and headset profiles. In order for Bluetooth® devices to communicate with one another, they must utilize the same Bluetooth® profile. Certain Bluetooth® features, including those listed, may not be supported by all compatible Bluetooth®-enabled devices, and/or the functionality of such features may be limited in certain devices, or by certain wireless carriers. Contact your wireless carrier about feature availability and functionality, or visit www.motorola.com/bluetooth for more details.

*All talk and standby times are quoted in Digital Mode, and are approximate. Battery performance depends on network configuration, signal strength, operating temperature, features selected, and voice, data and other application usage patterns.

MOTOROLA and the Stylized M Logo are registered in the U.S. Patent & Trademark Office. The Bluetooth® trademarks are owned by their proprietor and used by Motorola, Inc. under license. MOTO™ H17
UNIVERSAL BLUETOOTH® HEADSET

FLIPPING BRILLIANT.

HELLOMOTO™

UNIVERSAL COMPATIBILITY

Use with compatible Bluetooth enabled phones such as Motorola, Nokia, Samsung, Sony Ericsson, LG, HTC and BlackBerry.

EVERYTHING'S BETTER ON THE FLIP SIDE

Flip into something better with the Motorola H17 Bluetooth® Headset. Designed specifically for people who are on the go, it's the smallest, lightest flip switch headset ever. It flips open to turn on for calls and flips closed to turn off and save power, so you can always connect to your calls quickly and confidently.

MOTO™ H17

UNIVERSAL BLUETOOTH® HEADSET
WITH RAPIDCONNECT™

Flipping Brilliant

The unique, RapidConnect™ feature lets you handle calls with a simple flip. Flip open to answer, flip closed to disconnect, flip out about how easy it is.

Feels Good

The unique wearing style lets the H17 rest gently against your ear for a lightweight feel. And its multiple ear hooks and cushions let you customize your preferred fit.

Hear This

Cancel out background noise with CrystalTalk™ Technology – dual microphones for clearer communication on both sides of the call.

Listen Up

Simple Voice Prompts tell you how to set up your headset quickly and easily. They also tell you whether mute is on and how much power is left in your battery.

Make a Connection

Receive calls from 2 Bluetooth® devices at the same time with sophisticated MultiPoint Technology. Simply put one call on hold to answer a second call from a different device, then switch back again when you're ready.
